

Chino Hills High School Athletics

ATHLETIC ONLINE REGISTRATION

Athletic Clearance

Dear Parents/ Students,

Please register your child at athleticclearance.com If your child participates in a summer camp program or is a multi-sport athlete, you can select every sport they will be participating in throughout the school year and register for each sport all at once.

All incoming and returning student-athletes are required to have an athletic physical completed as part of the clearance process. This is required for tryouts, summer camps and participation in all sports. Students will be required to register online at athleticclearance.com and download a pre-participation/ physical exam form after registering. Once completed by a medical doctor, the form can then be uploaded to the athletic clearance account. Physicals are valid for one school year.

Thank you,

Chino Hills High Athletic Department
